

# U▶START

CALL ON CIRCULAR ECONOMY  
>> Until May 31<sup>st</sup> 2019

## Go circular!

Apply now for the startup acceleration programme: [www.veolia.de/ustart](http://www.veolia.de/ustart)

Are you searching for an opportunity to boost and accelerate your project ? We are looking for startups in the following fields:

- ▶ Innovative recycling concepts for electronic waste (PCB, Li-ion batteries etc.)
- ▶ Alternative upcycling valorisation routes for secondary products (Recycled paper, glass fibre composites, recycled carbon fibres)
- ▶ New technologies for sorting and recycling composite materials (Mixed plastic products and metal-plastic composites)

→ Go circular!

## What we offer:

- ▶ **Global Expertise:** team up with Veolia and EIT RawMaterials for Mentoring and Coaching
- ▶ **Seed funding:** amount depending on your maturity level
- ▶ **Collaboration:** develop your project in a co-creation mode
- ▶ **Testing:** test and prototype your solution on one of our 300 sites in Germany
- ▶ **Scaling-up:** deploy your solution on the German market
